DOB: 08/22/93 | Reg#: 440941

EM Better Heavy 323 is essentially full Leachman Red Angus breeding. He is an excellent example of Mears Ranch involvement with the famous Leachman Cattle Company as a LCC cooperator herd. EM Better Heavy 323 is considered to be one of the best Leachman Better Heavy 8041 sons in the breed. EM Better Heavy 323's sire needs no introduction, nor do his paternal brothers like "None Better." EM Better Heavy 323's dam is an outstanding brood cow, being extremely fertile with an excellent udder and broodiness that has seen her raise a calf every year in the harsh West Texas environment.

EM Better Heavy 323 is moderate framed, thick topped, with excellent length and balance. His athletic mobility, testicle size, soundness, libido, as well as his easy keeping nature, mean he can get the job done in a short time. Study this bul's immaculate pedigree, EPD's, impressive eye appeal, and superior performance.
